## District Warrant

---

STATE OF NEW HAMPSHIRE — ROCKINGHAM, SS.

*To the Inhabitants of Little Boar's Head District, a village district in the Town of North Hampton, organized under provision of Chapter 196, Session Laws of 1905, qualified to vote in District Affairs:*

You are hereby notified to attend the annual meeting of said District to be held at the residence of Marion Stott on the Ocean Boulevard and Willow Avenue in said District on the first Tuesday of September next (the 2nd day of the month), at eight o'clock in the evening (8:00 P. M.), Daylight Saving Time, for the following purposes:

1. To elect a moderator, a clerk, three commissioners, a treasurer, and an auditor for the ensuing year.

2. To hear the reports of the clerk, treasurer, and other officers of said District, and to take such action as may be desired in regard to same.

3. To take such action as you may desire in regard to allowing the same discount on district taxes as is allowed by the Town of North Hampton on town taxes.

4. To raise such sum of money as may be needed for the extinguishment of fires, the lighting of streets, the planting and care of shade and ornamental trees, the supply of water for domestic and fire purposes, the construction and maintenance of sidewalks and main drains or common sewers, the construction, maintenance and care of parks or commons, the maintenance of activities for recreational promotion, the appointing

and employing of watchmen and police officers, the enacting and enforcing of zoning regulations, and all other district expenses.

5. To take such action as you may desire in regard to giving the treasurer of the District authority to borrow money in anticipation of taxes.

6. To transact such other business as may legally come before said meeting.

Given under our hands this 16th day of August, A. D., 1952.

## Commissioners' Report

---

1951 - 1952

### 1. **Lighting of the State Boulevard Parking Area:**

The matter of more adequate lighting for the Parking Area has been taken care of by an increased appropriation at the Town Meeting in March. Previously, there had been five lighted poles in this area and this year the number has been increased to 11. However, it is still our feeling that this area requires further lighting, possibly with larger bulbs and possibly focused differently.

2. **Mosquito Control:** The District has been sprayed three times this year, and we feel that fairly satisfactory results have been obtained.

3. **Sidewalks:** It is proposed to continue the work begun last year of repairing sidewalks. When our present sidewalk system is in proper repair we plan to add to it a little at a time.

4. **Police Protection:** Watchman service was maintained as usual during the past winter.

A police officer of the Town of North Hampton has been on duty every day this past summer up to 2 A. M. The District, co-operating with the Town of North Hampton, felt that he would be more effective if he were in an automobile and hence able to cover the entire precinct. We have, accordingly, reimbursed him for the use of his car.

In addition, an outdoor telephone was installed this year at the beach by a private individual, which makes it possible for any one to make calls of any nature, — particularly the police in the case of an emergency at night.

**5. Lifeguard and Beach Patrol:** As part of our police program, the District maintained a lifeguard seven days a week from July 4 through Labor Day. In addition, large signs were put up advising that picnicking is prohibited in front of the Bath Houses and that no dogs are allowed on the beach unless on a leash. We feel that these signs have been helpful in maintaining an orderly beach.

The lifeboat, which has now seen two seasons, is proving satisfactory, but will require paint and minor repairs next year.

**6. Parking at the Beach Area:** The matter of parking in and around the beach area has become a real problem this year. A survey conducted by the Commissioners one Sunday when the traffic was particularly heavy showed that 165 automobiles were parked from Mrs. Manning's Bath House up to the Fish Houses. Of this number, 102 cars, or 62%, were from Massachusetts. The cars came from 10 states and Canada. Only 99 of them can park along the sea wall in the first row. This leads to extremely heavy congestion in this area, with the result that frequently residents of Little Boar's Head cannot find a place to put their cars when they come to the beach. Also, various private parking areas, owned and maintained by residents, are filled with transient cars. Furthermore, people parking along the sea wall occasionally find a car parked behind them and locked, so that they cannot get out; and at times no emergency exit is left for the Coast Guard Vehicle, the DUWK, to get into the water, and the hydrant by the Bath House is completely blocked.

We have considered this problem and the various solutions which have been offered. One solution was to build another parking lot across from the beach, provided the space could be obtained. But we feel this would just lead to more cars, and more people, and

would not be a solution to an already crowded beach.

It is our suggestion that small fenced areas be erected, one by the hydrant, and one to provide a lane of access to the beach for the DUWK, and that parking be prohibited along the westerly side of the highway (as it is now). This would limit the number of cars that could park here, and if more cars come the Police could be instructed to tell them the area was full.

**7. Drains and Sewers:** The Commissioners had the creek next to the Earthrowl house dredged between the old car track and the Boulevard causeway, this section being largely within the state highway limits. Mr. Earthrowl had it dredged at his expense further back.

**8. Storms:** A severe storm last February gouged out the face of the Head badly, and broke many sections of our breakwaters. This damage has been repaired by the State Highway Department.

**9. Appointments:** After the District meeting last September, George H. Bushway was reappointed to the Zoning Board of Adjustment for a five-year term; and William P. Fowler was reappointed Zoning Inspector for one year.

**10. Annual Meeting:** All property owners as well as voters of the District are invited to the annual meeting on Tuesday, September 2, at Marion Stott's residence, at 8:00 P. M.

**IN MEMORIAM:** This entire community is deeply grieved by the loss of one of our Little Boar's Head residents, Philip N. Hobson, Jr., a member of the U. S. Marine Corps, who, on August 13, 1952, paid the supreme sacrifice in Korea in the service of our country.

## Zoning Inspector's Report

---

Attention is called to the fact that since the amendment of our Zoning Ordinance on September 6, 1949, permits are required for all cases of new structures or new buildings, moving of buildings, exterior building alterations, or material changes of land use.

The following zoning permits have been issued during the past fiscal year:

- Robert A. Southworth, moving small bathhouse;  
also addition to large bathhouse.
- Alvan T. Fuller (by Board of Adjustment), addition to fish house.
- Robert A. Southworth, enlargement of addition to bathhouse.
- Alvan T. Fuller, new bathhouse (renewed permit).
- Irene L. Barker, 2 additions to house.
- Alfred L. Viano, new cottage.
- Olive M. Ring (by Board of Adjustment), line of cabins connected and baths added.
- E. C. Chaddock, alterations to house.
- Lillian L. Viano, et als, new garage and breezeway.
- Irene L. Barker, flagpole.
- Genevra Noble Eastman, new house on Chapel Road.

The following renewals of business permits have been issued this spring:

- Robert H. Sawyer, ice cream stand.
- Olive M. Ring, tea house and restaurant.
- Robert A. Southworth, sale of beach articles at bathhouse.

The petition of Robert H. Sawyer to expand the business at his ice cream stand was denied by the Board of Adjustment on April 24, 1952.
